R. K. THOMAS,

SALT LAKE CITY.

I desire to inform all country and city purchasers of Dry Goods that I shall slaughter my entire stock of Heavy Winter Goods, commencing Friday, December 27th, and continue the sale all through January. It is impossible to enumerate the many desirable goods I shall offer, but it will embrace everything in my store known as seasonable choice goods, consisting of Boys' Clothing, Flannels, Blankets, Dress Goods, Shawls, Wraps, Cloaks, Newmarkets and Underwear. I shall also offer a lot of goods in all departments, of which I have a surplus, at sacrificing prices, to make room for new Spring Goods, which will be opened early in February. I am anxious all should reap the great benefits I propose bestowing upon my patrons and the public generally during this sale.

OGDEN COLLEGE,
W. A. ORENDAHL, A. M., PRESIDENT.

DEAR SIR:

I am more than pleased with my "Howe" Ventilating Stove, and cannot say too much in its praise. In the first place, *it is the only base burner I have ever seen that is constructed on correct principle, while in heating capacity and economy of fuel it is all that you claim for it.* In the fresh air which it warms and diffuses throughout the house there is a balance of temperature which I have never found in the heat of any other stove; not even when sitting close to the stove is there any sense of oppressiveness.

Very truly yours,
W. A. ORENDAHL, Pres.

The "Howe" Ventilator stands today the most remarkable discovery in heating stove construction. We will cheerfully refund the price of any stove not proving Perfectly Satisfactory.
